

Wishing you and your families a very happy festive season!

As a very busy year draws to a close, we would like to thank you for your support during 2011.

Reflecting on the year, some of the highlights were.....

USA

Robert, a client based in Dallas, Texas, was interviewed in May for the local Dallas TV News. The story was also picked up by one of the local newspapers (*Dallas Business Journal*), and was then syndicated around the USA. This has served as a platform for future expansion into the US market.

The New Inventors

In June, as finalists on 'the New Inventors' show in Australia we gained great exposure to enable us to introduce the TrueFIT™ mask to the many people struggling with their CPAP therapy.

Moulding Partner Network

Forming relationships with expert facial moulding partners in Australia - Melbourne, Sydney (Dubbo & Coffs Harbour), Adelaide and Perth made accessing a TrueFIT™ Custom Mask even easier! We are working towards expanding our network in 2012.

Australasian Sleep Association Conference

Exhibiting at the annual Australasian Sleep Association Conference in Sydney gave us the opportunity to catch up with industry peers and share the great therapy outcomes from Acurest clients.

The Acurest Team wishes you a very safe and happy holiday and more sleep.energy.life in 2012!

NB. Acurest will be closed from 23 December and re-open on 9 January 2012, however, our support team will be available over the holiday period via email: support@acurest.com.au
